

Wild Women in the Water

Thresholds: Where have you come from & where are you going?

Our lives are full of thresholds, some chosen, others forced: becoming parents, transitioning to a new job, receiving a diagnosis, moving to a new city, the end of a marriage, retirement, the loss of a loved one... these are among the more significant threshold seasons of our lives.

But we experience subtle thresholds as well: shifts in our theology and ideology, adjustments in our roles as children grow or friendships change; some developmentally predictable, others unexpected.

What might it look like to honor the thresholds?

Join spiritual director **Elizabeth Peterson** as together we engage the story of *Hagar seeking God in the wilderness*, alongside two threshold stories of Jesus. With scripture study, solitude prompts, yoga and more, we will approach these questions as whole, embodied women, seeking God together in the wilderness on the shores of Flathead Lake.
