

Amphitheatre Benches at FLBC

While we were working on the outdoor chapel... we discovered the Amphitheatre benches also need replacing (rotting, etc). And also our campers and guests have requested an aisle down the center for easier and safer access.

So the Bench Brigade of fund raising continues for the Amphitheatre benches! Name a bench for \$750 with your name, your family name, church name, Bible verse etc. 58 Benches needed.

THANKS much for your care to help continuing to improve FLBC!!
