

## **Other Cabins and Projects in Need of Adoption**

Adopt a Cabin and be responsible for its upkeep with projects determined by Camp staff and congregation. Sample projects include paint interior/exterior, paint floor, install curtain rods and curtains, possibly replace doors and windows. Replace bunk beds. Install metal roofing. Some just need some TLC and a decorator's touch!

# **Adopt A Project**

## Welcome!

Thank you for your interest in the Adopt a Cabin program! Your help is needed to help keep Camp cabins in great condition for campers.

Your team can adopt a cabin or project for 1 year and be responsible for its total well being. Some cabins need complete renovations while others need some TLC and and decorators touch. Work with camp staff to determine the needs of your cabin. Put your team together and schedule a time to visit camp and check in on your adopted cabin.

This camp was built by volunteers and it will be volunteers who see it into the future!

### How to Adopt

- 1) Once your group has decided on a cabin/project to adopt call Camp to confirm availability. (406)752-6602
- 2) Plan a site visit to get to know your cabin/project and its needs. Set a date for your next visit
- 3) Bring your work belt and paint clothes and start giving your adopted cabin some love!

**Free food and lodging for volunteers working on their project!**
