Angel Tree Camping

For the first time this summer, we partnered with Angel Tree Camping (a ministry of the Prison Fellowship) to welcome children with one or more incarcerated parents to FLBC. It is an honor to get to partner with Angel Tree and to continue to share God's love with these campers at FLBC.

Your 2022 Summer Brochure is here!

Meet the Schularick Family!

The Schularick family, Nate, Anne, Karina (11), and Noah (8), have been a part of the FLBC family for a long time. Anne served several summers on staff beginning in 2001 and eventually invited her friend Nate to serve with her. They first came to FLBC as a family in 2017. At the end of our conversation,

Karina and Noah are eager to make it on time to closing worship of week-long family camp to make sure they get to worship with their FLBC family one more time.

Anne and Nate were married at FLBC August 11, 2007 and decided to attend family camp in 2017 as a 10-year anniversary adventure and as a way for their family to navigate through a big life transition: moving from Iowa to Minnesota. This summer is the third time the Schularick's have come to week-long family camp.

When asked what they loved about camp, the kids shared:

"I like the morning structured time. We can always ask questions about God to our counselors, and they listen. I like meeting all the new people. Camp is always so welcoming. I also like the group activities and the ice cream cones in the canteen," said Karina

"I like the boating and low ropes, when we have to work together," chimed in Noah *"Oh and the ice cream cones too... especially the birthday cake flavor."*

Nate and Anne both experienced Bible Camp as kids. Anne knew that she would work at camp someday, and would marry a camp counselor, "so I made my boyfriend become one!" joked Anne.

"I grew up going to Bible camp as a kid, and there were times I felt bullied at camp... so it was not always all fun," Nate recalled.

"My dad was a pastor, so we faithfully went every year. But I do feel that it was at camp, where I felt my faith coming alive," Anne shared.

Nate, Anne, Karina, and Noah are one of many families who make the long journey from Minnesota to attend family camp, calling quickly on the morning registration opens to ensure they have a spot.

"I love the time to disconnect from the outside world and connect with family again. We laugh a lot at camp, we love the music, and we tell stories about camp the rest of the year," Anne said.

"Why should people come to family camp?" we asked. Noah said *"Tell people you will not use screens all week, and that it is still soooo much fun."*

Thank you Nate, Anne, Karina, and Noah for being a part of the FLBC family!

Musings from Margie

by Margie Fiedler, Executive Director

Musings is defined as “a period of reflection or thought”

I had been approved for and planned a sabbatical in 2020 (our personnel policies allow for a sabbatical every 7 years for full time staff, so I was eager to have some time of rest and reflection) then along came COVID-19 and our world was turned upside down. I had planned seminary classes, hiking the Camino de Santiago, business and computer classes, rushing from one thing to another in hopes of being better equipped to serve when I returned to camp life. When the board re-approved my sabbatical (which Webster defines as “a paid leave for study and travel”), I asked if I could just sleep for two months. The stress and daily changes we faced dealing with how to run camp and retreats in a pandemic had totally worn me out.

One good thing about Covid is that I now know I need to rest during this time... and I will be resting, dreaming, reading, and praying. I am eager to see friends and family whom I have not seen since before Covid. I will also be spending time in God’s beautiful creation: hiking, skiing, visiting some hot springs, and going to Canada to see polar bears in the wild (and they say I do not need to bring my bear spray!). I do plan to do some sorting, cleaning, recycling, and decluttering as a spiritual task of being open to the “new” of what God has in store for me and for FLBC.

I continue to be honored to serve this incredible ministry, where lives are changed and the spirit of God is alive and well, even in the midst of Covid’s ups and downs. Thank you for your prayers and financial gifts that have sustained this ministry. Thank you to the amazing year-round staff—they have each done the work for two people in order for us to stay open. They are truly amazing and are allowing me to go on this 2-month sabbatical, because of their competence and care.

I am looking forward to many things coming up in 2022! Join me in praying for and supporting these exciting things happening at FLBC.

- The report and recommendations of the Strategic Planning team
- The Technology grant (thanks to the M.J. Murdock Charitable Trust) and how this will be used to advance mission and ministry at FLBC
- Building up our fall/winter/spring programs of retreats and environmental education post Covid
- Planning for “Boundless”—our 2022 summer theme—focusing on sharing the boundless love of Christ with all
- Welcoming new year-round staff to further the mission of FLBC
- The Holy Ground campaign with a \$235,000 goal to help with several facility/program needs.

Thank you....be sure to contact our office for whatever we can help you with (*but remember... Oct 15–Dec 15th, 2021, Margie will be musing!*)

Holy Land Journey

June 20–29, 2022

We are excited to take a long awaited journey to the Holy Land! Join FLBC staff, Pastor Arne Bergland (retired from Our Redeemer’s LC, Helena MT), and guide Elias Nawawieh as we experience the Holy Land in a whole new way.

The Montana Tax Credit

What an amazing “gem” we have here in Montana! Yes, FLBC has an incredible opportunity when it comes to planned gifts!

Originally enacted in 1997, and extended several times, the Montana Endowment Tax Credit was extended through 2025 during the 2019 Montana Legislative Session.

We in Montana are unique, and this law, is a unique special law to help non-profits in Montana. Over the years, several of our donors have set up charitable trusts and charitable gift annuities that will in time benefit the camp (but help the donor now!). Legacy gifts designated to the camp and your other favorite charities help sustain these ministries into the future. At FLBC you may also designate your gift for the campership endowment or for the general endowment fund for facilities, etc. The corpus of your gift will be in perpetuity to help the camp grow and thrive... sharing the love of Christ with all for decades to come!

The Law Provides For:

Planned Gifts

Credit against state income tax liability in the amount of 40% of the present value of any planned gift to a permanent endowment of a Montana charity up to a maximum amount of \$10,000 per year per taxpayer.

Outright Gifts

Credit against state income tax liability in the amount of 20% of the present value of any outright gift by a business entity to a permanent endowment of a Montana charity up to a maximum of \$10,000 per year per taxpayer.

Talk to your financial advisor and/or attorney, or contact FLBC for more information. Also, for more information about the Tax Credit, visit the Montana Department of Revenue web site.

Thank you for prayerfully considering a gift in your will/estate plan to FLBC!

Built on Sacred Ground

By Grace Schroeder Scott

Thank you for generously sharing your time, talent and treasures through your participation in the life and mission of Flathead Lutheran Bible Camp. Your gifts and service help ensure our future. We are blessed to be a blessing by giving of ourselves, our time and our possessions, signs of God’s gracious love. It is a joy to give and serve with an optimistic spirit in gratitude for God’s abundant blessings in our lives.

As faithful Partners and Legacy Partners, we encourage one another to support the Christ-centered mission and long-term vision of Flathead Lutheran Bible Camp. Now in its 78th year, FLBC continues to grow its summer and year round intergenerational ministry. Built on sacred ground, FLBC offers transformational experiences.

Annual gifts help the Camp meet year-round and seasonal staffing and maintenance costs, and provide summer camperships. We also encourage major and planned gifts to support summer counselors, capital projects and the FLBC Endowment Fund.

I look forward to meeting with individuals and families to help you discover the most effective ways of giving to strengthen Flathead Lutheran Bible Camp. The COVID-19 pandemic has impacted everyone. We are grateful for your ongoing generous support. In the spirit of Thanksgiving, we encourage you to join us in increasing your charitable support of FLBC.

For further information, please give me a call at 612-743-7035 or send an email to grace@flbc.net. We are pleased to offer charitable gift information and services without cost or obligation. God’s blessings and thanks!

Grace Schroeder Scott serves as Senior Development Consultant for Flathead Lutheran Bible Camp.

Holy Ground

***“God Claims Earth and everything in it,
God Claims World and all who live on it.”***

~Psalm 24:1 (MSG)

Flathead Lutheran Bible Camp is excited to continue caring for this special piece of creation entrusted to us through our “Holy Ground” mini Capital Campaign. Officially beginning in 2022, we will focus on outdoor improvements that need attention in order to continue offering fun, faith-filled, and safe programs for all. These items include:

1. Paying off the Hughes Bay land purchased in October of 2020
2. Repairing the Swim dock and installing a lift chair
3. Putting electric wires to the upper bath house underground
4. Removing diseased/dangerous trees and planting new trees in the main area of camp
5. Adding an entrance and new element to the High Ropes Course
6. Installing a watering system and making needed improvements to the garden
7. Adding additional storage, a new transformer and electricity to our Upper Parking Lot

In total, an estimated \$235,000 will allow us to make these updates, with the goal of raising these funds by 2024! As we look to 2023 and the 80th birthday of the ministry of Flathead Lutheran Bible Camp, we hope to ensure the land continues to be taken care of to prepare for the next 80 years of ministry at FLBC! God has provided this amazing land which has developed into a wonderful home for Christ-centered adventure programs for people of all ages, all year long.

“The land is Holy Land. The seeds we sow both physically and spiritually, can flourish into beautiful hubs of life and diversity long after we leave.”

~Climate and Justice, Sacred Ground

Our students are so thankful that we could spend an incredible three days at your camp. I appreciated the high-caliber educational opportunities that you provide. The staff are knowledgeable, enthusiastic, and engaging. The lodging and food can not be beat.

Grant from the M.J. Murdock Charitable Trust

Thanks to the generosity of the M.J. Murdock Charitable Trust, we are excited to continue looking towards the future of Flathead Lutheran Bible Camp. In addition to support for technological improvements around camp, we have the opportunity to receive a matching challenge grant of \$30,000 for gifts from first time donors and supporters who haven't given in 2 or more years.

Will you prayerfully consider giving a gift to FLBC and inviting a friend to be a part of this ministry?

So Long, Farewell & Thank You!

Jacob Kvale

Jacob started as a summer staff member, serving three summers, before joining the year-round team in the Fall of 2017.

Jacob quickly became a leader and brought the camp new and exciting ideas to our wilderness program and operations oversight, not to mention his deep theology, and amazing gifts of writing and music.

Whether Jacob is working on a sailboat motor, a Bible study, wilderness first aid, preaching in a congregation, playing guitar at a campfire, or paddling a raft, Jacob always gives 110% to everything he does.

We thank and praise God for the gifts Jacob has brought to the ministry of FLBC. Words cannot describe how much you are loved, admired, and appreciated by the FLBC community. Join us at the Annual Meeting on October 9th to thank Jacob!

Thank you, Jacob!
