

Come Make Memories in Montana!

Join us in Northwestern Montana for an unforgettable wilderness adventure, specifically designed for high school youth groups & adult groups!

Our **Glacier Wilderness** program offers a unique opportunity to explore the stunning beauty of Northwest Montana. With experienced guides and a focus on safety, you'll have the chance to adventure in one of the most breathtaking landscapes in the world. Choose from backpacking, whitewater rafting, sailing, sea kayaking and rock climbing or create a custom trip that suits your groups interests.

This adventure of a lifetime is not only about outdoor recreation, but also about spiritual growth. Daily devotions and Bible studies provide a chance to connect with God in a deeper way while surrounded by God's creation. You'll leave with not only memories of incredible scenery and fun activities, but also with a renewed sense of faith.

The Glacier Wilderness program is customized for you and offers:
