## GOD'S WORD COMES NEAR

*The word is near you, on your lips and in your heart... ~ Romans 10.8*

Words have such power in our world. They create realities, they form culture, they help us understand the incomprehensible.

Throughout scriptures and ultimately in the life, death, and resurrection of Jesus Christ, we find that God is not in those moments of glory, but rather sides with the poor, the oppressed, the outcast and the scorned. Ultimately, we find God on the cross, with a suffering and forsaken Jesus as the final stand in solidarity with humanity. Having heard God's word of love and acceptance, we are compelled to speak this truth into a broken world: You are loved. You are enough. You are saved. This is the good news of Jesus Christ.

Throughout the summer, we will explore how this word of salvation creates our own narratives. Romans 10.8 will set the stage to ground and then send campers into the world, knowing clearly that they are loved and blessed by God, and that God's word is near to them.
